IMPORTANT UPDATES & CHANGES

Please be aware of the following changes since our newsletter was sent out in January.

March 20th Meeting: Location change. Due to scheduled remodeling at the Hilton Garden Inn, we will return for one meeting only to the **Elk's Club on Lewis Ave.** Meeting time and the program (Baker Transfer & Storage) remain the same.

April 17th Meeting: No changes, but remember this meeting will be held at the **First Congregational Church Fellowship Hall, 310 North 27th St.** Steve Plaggemeyer will play the theatre organ score for a Laurel and Hardy silent movie and share info on the history of the organ and his hobby of silent movies.

May 15th Meeting: Back at the **Hilton Garden Inn.** **Program change: Butch Cassidy & Sundance Kid.** Everything you ever wanted to know about the "Wild Bunch" and were afraid to ask. Butch Cassidy and the Sundance Kid have been an interest of **Historian Nate Murphy** to the point he now has the largest "Wild Bunch" photo collection in the world. May is also our annual meeting and election of officers for the coming year.

No changes in meeting times: Gather & sign in starting at 5:30 pm, dinner served at 6:00pm and speaker starting about 6:45pm.

If you know a member that usually attends our monthly meetings and wasn't here tonight, please share this information with them.
